The American Church That Might Have Been
A History of the Consultation on Church Union
By Keith Watkins

Table of Contents

Part One: Moving from Plan to Vision
1960—1970

Chapter One
The Bold Proposal
“Jesus Christ, whom all of us confess as our divine Lord and Saviour, wills that his church be one”

A Sermon to Transform the American Church
Principles and Patterns for Christian Unity

Chapter Two
The Challenge to Reunion in Concrete Terms
If the churches are unwilling to give this proposal full seriousness, they are “abdicating their ecumenical responsibility”

Creating the Consultation on Church Union
Developing the Theological Foundation for a New Church

Chapter Three
Despite Resistance, Renewed Hope
Daring to imagine a united ministry with “undoubted and unquestionable authority everywhere”

Deeper Studies of the Theological Tradition
Reaffirmation of the Central Purpose
Chapter Four

Principles of Church Union
“A more inclusive expression of the oneness of the Church of Christ than any of the participating churches can suppose itself alone to be”

The Principles
Enlarging the Denominational Base

Chapter Five

Moving from Principles to a Plan
“The law of man is secondary. We move today under command of the law of God”

Taking the Message of Hope to the Churches
Responding to Issues of Structure and Organization
A New Way for the Church to be Local
The Unification of Ministries
Preliminary Outline of a Plan of Union

Chapter Six

At Last A Plan of Union
The lives of all of us will be changed and the shape of the church will have been drastically changed

The Religious Setting for Making Decisions
Basic Elements of “A Plan of Union”
Deliberations and Actions

Part Two: Negotiating the Terms of Agreement
1971—1988

Chapter Seven

Reaching for Balance and Equilibrium
Still “the best hope for a reconciled, revitalized Christian community”

Encountering Reality, Experiencing Candor
Empowering the Black Churches
Reclaiming the Sacramental Center
Chapter Eight
Changing the Focus from Plan to Process
Moving toward consensus on theology but still searching for organization and structure

Paying Attention to What the Churches Had Said
A Different Kind of Next Step
New Life at the Communion Table

Chapter Nine
Moving Yet and Never Stopping
A consensus struggling to find expression

Dutifully Working at the Pragmatic Task
Christian Unity and Racial Justice
Consensus Struggling to Find Expression

Chapter Ten
The COCU Consensus
“A sufficient theological basis for covenanting acts and the uniting process”

The First Revision and the Churches’ Response
Second Revision, in Two Parts
Adoption of the Theological Basis for Unity

Chapter Eleven
Churches in Covenant Communion
Pledging to walk together until we are visibly united in Christ

The Idea of Covenant Takes Shape
Covenanting as a Process by Which the Churches Act
Liturgies for Covenanting
Part Three: Watching the Vision Vanish Away
1989—2002

Chapter Twelve
Churches Uniting in Christ

Like a grain of wheat, COCU falls
into the ground and dies

The Responses by the Churches
Searching for a Way Forward
COCU Becomes CUIC

Chapter Thirteen
Continuing the Search for Christian Unity in America

The post-COCU agenda for the nation’s
ecuminal protestant churches

What COCU Tried to Do
Why This Venture Seemed So Promising
Why COCU Lost Momentum
COCU’s Achievements
The Post-COCU Agenda for Ecumenical Protestant Churches in America
Conclusion
